GENERAL SHOW REGULATIONS

This show is governed by the standard rules, regulations, and guidelines of the American Rose Society (ARS). Specific rules for Division I - Horticulture, and Division II - Rose Arrangements, precede respective class descriptions.

1. Entries are accepted from 7:30 to 10:00 A.M., Sunday, June 3, 2012 at the Shilo Inn. Those received after 10:00 A.M. will be for display only. The Placement Committee will place all entries, except Challenge Classes and Rose Arrangements, which are placed by the exhibitor. Only assigned persons will be allowed in the exhibit room between 10:00 A.M. and 1:00 P.M. No exhibits or awards may be removed before 5:00 P.M., without the permission of the Show Chair. All awards must be checked out to the winner (or representative) by the Awards Committee at 5:00 P.M. Entries not removed by 5:05 P.M. become property of the Tri-City Rose Society.
2. Competition is open to all rose growers regardless of residence. Exhibitors entering in "Junior" classes must be age 17 and under, exhibit roses from rose bushes they have cared for, and must prepare the exhibit. Exceptions are noted in the schedule for Junior Arrangements, Division II, Section L.
3. ARS entry tags and containers, except as noted in the schedule, will be provided by the Tri-City Rose Society. PNW District entry tags are also allowed. All entries must be accompanied by an entry tag filled out with Section, Class, Variety Name, and Exhibitor's Name and Address, folded with name concealed, and attached to the container, or placed on the table in front of the Challenge or Rose Arrangement Class exhibit. Failure to do so will disqualify the exhibit.
4. Rose varieties must be exhibited by the ARS-approved exhibition name as listed in the current "Modern Roses," "Official List of Approved Exhibition Names for Exhibitors & Judges," "Handbook for Selecting Roses," "American Rose" magazine, or ARS Website registrations, and classified in accordance with these publications or the current "Combined Rose List."
5. First, second, third, and fourth place will be awarded in each class where warranted. ARS certificates and awards, and Tri-City Rose Society trophies, awards, and prizes will be awarded to the highest scoring first place winners. Awards are listed with their respective class and cannot be transferred. An asterisk(*) preceding the trophy name indicates it will be retired when one person has won it three (3) times, not necessarily consecutively. A prize is meant to be kept by the winner. The judges' decision will be final. A committee consisting of the Show Chair, Judge's Chair, and Schedule Chair has final procedural authority.
6. The Tri-City Rose Society, its officers and committee members will not be held responsible for any loss or damage to any person or property.

DIVISION I - HORTICULTURE RULES

1. All horticulture entries must have been grown by the exhibitor in his/her own private outdoor garden.
2. This is an Alphabetical Show. All roses in horticulture classes, **excluding Challenge Classes**, will be alphabetically arranged and judged. Each named variety is grouped as a subclass and the variety will be judged on its own merits, even though only one rose of a variety happens to be entered in a class. Multiple blues, reds, yellows, and whites may be awarded to each variety as warranted.
3. All parties from the same garden (except for **Junior** entries) **MUST** enter as ONE exhibitor on all entry tags. Examples: John Smith, or Jane Smith, or The Smiths, or John and Jane Smith.
4. Multiple entries of the same variety will be allowed from the same garden in all horticulture classes, **excluding Challenge Classes**.
5. One-bloom-per-stem specimens must be naturally-grown with no sidebuds or be disbudded. Specimens other than one-bloom-per-stem should be shown as naturally-grown, but an exhibitor may remove unwanted growth subject to possible penalization.
6. Only clear plastic wrap or plant material is permitted to support specimen stems, but is not to extend above the top of the container.
7. Entries will be disqualified for the following reasons: misnamed, improperly named roses, misclassified, misplaced (unless misplaced by the Entries Committee), unlabeled or mislabeled, stem-on-stem (Exception: Old Garden Roses and Shrubs), foreign substance, not disbudded when required, and violation of ARS or local society show rules.
8. Judging will be according to the ARS "Guidelines for Judging Roses" and performed by ARS-Accredited Rose Judges and apprentices. The ARS point scoring system, shown below, will be used for judging specimens. For Challenge Classes, an additional ten (10) points per specimen will be added for overall appearance of the collection.
